## INTRODUCTION

« 17 »

## CHAPTER ONE

Oneness

« 21 »

## CHAPTER TWO

A glimpse into the experience of ascension.  
Integrating fragmented aspects of consciousness  
Attaining the perspective of one's own  
expanded, multidimensional Self.

« 27 »

## CHAPTER THREE

Your energy field  
as the co-creator of your circumstances.  
The power of your thoughts  
and words as tools of manifestation.  
Breaking the patterns that create  
unwanted outcomes.

« 39 »

## CHAPTER FOUR

Bringing the “recurring dream” of this lifetime to completion.  
Learning to recognize and to decline the invitation of conflict.  
How the collective will has helped transcend  
the prophecies for these times.

« 47 »

## CHAPTER FIVE

Releasing the cellular imprinting  
of your experiential history.  
Peeling back layers of emotional density  
that have been dormant for lifetimes.  
Navigating the depths of your own  
experiential rites of passage.

« 55 »

## CHAPTER SIX

Refining your understanding of  
the momentum known as “ascension.”  
Achieving emotional detachment.  
Reintegrating fragmented aspects of consciousness.  
The significance of the karmic adversary.  
The fallacy of “forgiveness.”

« 65 »

## CHAPTER SEVEN

The power of intention.  
The energetic prescription for world peace.  
The part every individual plays  
in the creation of global conflict.  
Taking responsibility for the effect of every action  
upon the whole.

« 75 »

## CHAPTER EIGHT

Anticipating extremes of experience  
as life-themes are brought to closure.  
Daring to dream. Facing the void.  
Understanding the blind leap of faith.  
Attaining the perspective of multidimensionality.

« 85 »

## CHAPTER NINE

The Plate of Life: An allegory.

Confronting resistance to change.

Coming to terms with obsolete priorities.

Recreating your life as a joyous reflection  
of who you really are.

« 99 »

## CHAPTER TEN

The ebb and flow of the tides of consciousness.

The power of non-attachment to outcome.

Timing the completion of core issues.

Riding the energies  
as a tool for manifestation  
and karmic resolution.

« 107 »

## CHAPTER ELEVEN

Integrating the momentum of change  
as a population.

The catalyst for wars,  
famines, and natural disasters.

Deferring to your own truth  
over reality by consensus.

« 115 »

## CHAPTER TWELVE

The elusive dream that is reality.

« 125 »

## CHAPTER THIRTEEN

Embracing the Divine Moment:  
the acceleration of the process  
of experiential compensation for “the past.”  
Recognizing the radical change in the ground rules  
that govern physical reality.  
Becoming “the rock” upon which  
all else rests.

« 127 »

## CHAPTER FOURTEEN

Bridging two worlds in one lifetime.  
The development of heightened physical senses  
and psychic abilities.  
Perceiving and interacting with other life forms  
indigenous to this reality.

« 137 »

## CHAPTER FIFTEEN

The vibrational prescription  
for maintaining physical wellness  
in a rapidly shifting reality.

« 147 »

## CHAPTER SIXTEEN

The sacred science of manifestation.  
Transforming possibility into probability.  
Overcoming karmic conditioning.  
Manifestation as an emerging art form.  
Building a foundation for mastery.

« 157 »

and walking away with loving detachment.  
Breaking addictions to others.  
The significance of summary life experiences.  
Allowing others to live or to die  
in freedom.  
« 185 »

## CHAPTER NINETEEN

The experience of interdimensional ascension.  
Bouncing between realities:  
Shifting the focus of one's awareness amongst  
simultaneous levels of reality.  
The "extinction" and emergence of "new" forms  
of plant, animal, and mineral life.  
« 199 »

## CHAPTER TWENTY

Becoming your own frame of reference.  
Perceiving a reality all assume is shared.  
Orchestrating the way the world responds to you.  
How alternate aspects of identity affect your moods.  
The nature of remembered experience.  
The higher self.  
« 211 »

## CHAPTER TWENTY-ONE

Attaining true freedom from attachment.

How you undermine  
your own best intentions, vibrationally.  
Integrating parallel aspects of self into  
the composite of your identity.

« 225 »

## CHAPTER TWENTY-TWO

Sidestepping the triggers that provoke  
predictable patterns of response.

Defusing the poignancy of the adversarial relationship.

Stimulating the karmic resolution of emotion  
at parallel levels of awareness.  
Recognizing the Divinity that  
unites all experience.

« 235 »

## CHAPTER TWENTY-THREE

Adapting to the escalating momentum of change.

Integrating parallel aspects of self  
into the multidimensional composite that is “you.”

Experiencing the perceptions of  
augmented levels of reality.

« 245 »

## CHAPTER TWENTY-FOUR

The significance of the experience of duality.

The purpose of the journey into the depths of humanness.

The gift of experiences of adversity as a foundation  
for the experience of Oneness.

« 257 »

## CHAPTER TWENTY-FIVE

The vibrational nature of today's children  
and the generations to come.

The "paranormal" abilities of the children of the future.  
The care and nurturing of the "miracle children"  
of tomorrow.

« 269 »

## CHAPTER TWENTY-SIX

Integrating change  
into one's composite of self-definition.

Adapting to the changes within  
and the new categories of experience that result.  
How judgment—and detachment from it—affects  
your experience of reality.

« 279 »

## CHAPTER TWENTY-SEVEN

The nature of the journey home.  
Deciphering the imagery that surrounds you.  
The power of choice with focused intent.  
Awakening to "Be Here Now".

« 289 »

## CHAPTER TWENTY-EIGHT

Change, diversity,  
and the nature of composite reality.  
The perception and integration  
of parallel realities.

« 297 »
