Word for word, Rasha documented the unprecedented Revelations that form the foundation for the *Oneness* series. In the process, she was guided through the sacred journey to Oneness and through the life-altering changes that are shaking the foundation of today’s world.

As a spiritual teacher with a profound message, Rasha is not affiliated with any established spiritual path, religion or guru. The teachings she transcribes are universal and focus on the experience of the Divinity within each of us, and the profound transformation of consciousness that is the hallmark of these times.
